Babinda (Yarrabah) boy's reserve grade Against Suburbs reserve grade

RUGBY NOTES

Last week's game was a thriller with Babinda Reserve beating Suburbs 44 points to 14. The 1st half was full of excitement as David Lilley 'broke the ice' and scored a gem of a try. Captain Shane Yeatman had a good first half, and not used to leading a team, inspired the team with his strong defence and hard running onto the ball. During the 2nd half Shane made some good decisions which in turn led the Yarrabah boys big win in one of his hard running venture in a try under the post. Second Rower, Wayne Connolly broke the Suburbs line of defence with Bully Canendo in support. Canendo slipped the ball to Dave Lilley who passed to Shane for a good try. Any Rugby League critic would have given that praise to Wayne Connolly on breaking the Suburbs line.
