## RUGBY LEAGUE

In the last 3 games, the Bahinda Reserve Grade as suffered defeat from Mossman. Brothers and on the weekend by Southern Suburbs. I think the Yarrabah boys can forget about the finals after this lack of form. "Well boys, what are you going to do train or lose?" said one supporter. You've still got one more chance of making the finals. One person who didn't go and see the game told the press they wouldn't waste their time travelling to Bahinda to watch the Reserves get a beating. Come on boys I for one knows that you've got the goods to win games. A few more at training and a bit more efforts into your games.

Palm Island Rugby League Team visited Yarrabah for a game in the under twelves, in which the Yarrabah Team easily beat Palm. The senior side from Palm was also beaten. The Yarrabah Community was very impressed with the Saturday Sports. Palm Island Rugby League Officers hopes Yarrabah can repay the game in the near future, in the under 12's, under 20's and senior. A date will be fixed after the Cairns Competition Finals are over. Palm Island will send an invitation to Yarrabah.
