

would do all in his power as Superintendent to assist the newly formed P.C.A. wherever possible.

The next general meeting of this P.C.A will be held at the school this coming Thursday, 1st April when consideration will be given to the making up of the Constitution governing these P.C.A's and this will be followed by discussing general business.

Many of our members are anxious to know what this so called Constitution is all about. To answer this it may be said that any Constitution is a set of rules which sets out how any particular organization shall be controlled or governed by its members. When these rules are finally adopted they become legally binding on the association and will affect the handling by the Association of all those matters affecting the State School.

BASKETBALL.

It is interesting to note that the basketball has commenced this year with alot of enthusiastic players. We hope to see many more take an active part in this sport. Competition matches are not expected to take place for awhile yet.

But when they do, we hope that you will be there to cheer the girls along.
