The Dormitory Girls went for a picnic per truck to Butler Bay and spent a pleasant three hours on the beach there.

On Sunday some of the women from the Women's Home went to Possum Island for a day; and on Monday the Girls from the Small Girl's Home also went to Possum Island. Reefing, fishing, and lazing in the sun whiled away several pleasant hours. The Girl Guides went to Esk Island on Monday returning at 5.30 pm.

THE TULLY FOOTBALL TRIP.

The Palm Island football team made a visit to Tully last Sunday, proceeding per Barge Saturday afternoon. An overnight stop was made at Garden Island, where the team had an early morning run on the beach; the barge then proceeded to Cardwell where the team was picked up and transported to Tully per truck.

The Tully team proved too strong for Palm Island winning 51 - 11.

The try scorers for Palm Island were Mack Simpson, Spencer Curley, and Walter Bengaroo.

Although Palm Island's passing seemed quite good they lacked condition, and positional play was weak.

However the game was fast and the ball was kept moving about. So from the spectators point of view I would say it was a good match.

In conclusion there is a
 possibility that a return match may be played

 prove a very entertaining match and Palm Islanders
 are looking forward to the proposed match.

QUEEN'S BIRTHDAY BOXING TOURNAMENT.

Tom Congoo fought Cecil
Archie. Tom won on points. Once again Tommy's
 compact style stood him in good stead.

Ernest Puttaburra fought
Lex Graham. Lex won on points. In this match
 Lex fought hard and extra weight helped him to
 hold his opponent.

John Douglas fought Robin
Banning. Robin won on points. John keeps on
 trying hard and there was very little between
 them.

Bethany Wallace fought
John Ebagoola. Bethany won on points. This was
 a good match and Bethany's better defence and
 cleaner punches won him the contest.

Martin Hopkins fought
Willie Daphne. Willie won on points. There was
 very little between these two.
