THE PALM ISLAND NEWS.

FRIDAY 30TH  
NOVEMBER, 1962.

Vol. 15  
No. 47

BASKETBALL.

The Womens Basketball series came to an end on Monday last with Waratah winning the Shield with Swift and Shamrock competing strongly for second place.

The series of matches have been interesting, and it has provided some excellent sport.

Waratah have played consistently good basketball and their team work has been most impressive.

To round out the season, the Committee will put on a social for the

players on Saturday 8th December. The games will be played, and these should be well worth seeing.

The Palm Island Premier Team - Waratah - will play a No.1 Combined team, and the Dormitory No.2 Combined team will play the Camp No.2 Combined team.

These two matches should be very good, and they should attract a good crowd. Elsewhere in this issue will appear the names of the selected players in the combined teams.

The R.H. Bartlam Shield will be presented to the winning team, in the series - Waratah - by the Superintendent, Mr. R.H. Bartlam, during the evening.

-----  
BASKETBALL NEWS.

TOILET CARE.

Children, and adults, should use  
great care in washing hands after using  
the toilet. Many diseases are spread by  
careless habits in this direction.

Children should be taught to  
visit the toilet regularly and stern  
measures taken to stop small children  
and other not so small, being too lazy  
to visit the toilet but using the nearest  
shelter.

Contamination from these
