

Two items of interest to boxers on Palm Island occurred since last issue of your P.I.N. One the arrival of Ron Richards whose record in the Boxing Sphere you all know without any comment from me.

The other is a paragraph in the Courier Mail to the effect that Fred Clay is to have his first fight in Brisbane on Friday May 5th. It is only two months since his trainer has started work on Fred and he is billed to fight 12 rounds. I am sure that all Palm Islanders who have a Radio will be listening in that night.

Ron Richards has agreed to train some of the boys here. Full particulars of this will be announced later when properly sanctioned.

It is our Boxing night this coming Saturday and as it will be a fairly lengthy programme we will be starting at 7.30 p.m. sharp with the little fellows so if you don't want to miss the best part of the programme, be there early. The full programme appears elsewhere in this paper.
