SHOW TIME.

Once again the Annual Show approaches and people everywhere are working on items for their exhibits.

This year special prizes in school and plastic work sections will make the entries all the more exciting. The prize money generally in the schoolwork has been increased.

The "cuppa-murrie" will take place on the Friday afternoon and this is expected to be as popular as ever.

If the weather holds, an attempt will be made to collect some turtles to go with the park.

Rodeo items will be featured and bullock riding is always a crowd pleasing part of the Show.

This year the Palm Island Show will be held on Friday the 19th August and it is hoped that it will be as successful as the Shows in previous years.

The District Exhibits usually create keen competition against each other and the quality this year is also expected to be of a high standard.
