DID YOU KNOW THIS?

We wonder how many people are aware that the Settlement launch "Wondi" perpetuates the memory of Jack Wondi, who was one of the most outstanding members of this Settlement.

Jack was a very keen footballer and for services rendered when the Palm Island Aboriginal team played the Brisbane Rygby League side and defeated them. Many years ago, Jack wondi was referee for one of the games and for his excellent display he was made a honorary member of the Queensland Referees Association and was presented with a uniform and whistle by the Brisbane Referees. Jack is now deceased but like all good men and true his name lives on.

"Wondi" is an aboriginal word which means, "To lift up, to improve."
