BAND NEWS

The Bandsmen have been invited to another visit to Townsville with the footballers this week end. It is anticipated they will be taken to 4TO to give a short recital while in town.

An invitation has been received from Mother Superior for the Band to visit Fantome Island on Easter Monday. Acceptance of this should bring enjoyment to the patients at Fantome Island.

There is no beautifier of complexion, or form, or behaviour, like the wish to scatter joy, and not pain, around us.
