

The basket ball court has been put into playing order and young folks interested in this game are invited to come along and join in the fun.

Last year this Association had to refuse an invitation to the mainland for a team of Basket ball players because no one was interested in this sport.

It is anticipated that a team of basket ball players from Ingham will accompany their football team if it can arrange a visit here before the football season closes.

Dormitory girls and young women living around the Settlement!, here is your opportunity to get a really good team to meet any visiting team than may choose to come here.

The court and ball are available any afternoon.

BIRTH

Word was received this week that Mrs Assan Sam (nee Ivy Clay) has given birth to a son at Mackay.

Congratulations!

SOCIAL

Mr and Mrs Dick Richardson and family left this week to return to Mona Mona Mission.

I live to love, to laugh, and to learn.
