

**BOXERS TRIP TO  
Charters Towers.**

Last Monday morning 6 Boxers left on the Wondi on the first stage of their journey to Charters Towers. On Arrival at Townsville at approximately 1p.m., they were met by a Representative from the Towers.

The Boys had lunch and at 2p.m. left by truck. Charters Towers was reached at 5p.m. after a fairly bumpy ride. The Boxers then had tea and were free until 8p.m. A procession of gaily decorated floats etc. was viewed and the Boxing commenced shortly after 8 o'clock. The following are the results.

Ernest Friday defeated Teddy Burns on a Technical Knock Out in the first round. Jack Patterson won on a T.K.O. in the second round. Eric Lymburner gave away over a stone in weight to Ray Brooks the latter winning on points. Albie Geia won on a T.K.O. over Larry Dalhanty. Robbie Miller and Frank Shepherd gave an exhibition spar and Robbie Miller threw out a challenge to any one between 10 and 11 stone, but the challenge was not accepted.

After the Boxing was over the boys had a meal and set off for Townsville by truck and arrived back at the Launch at 3a.m.

Palm Island was a welcome sight after such a rush trip. The boys all fought well and the experience in meeting outside boxers will benefit them.
