The Woodchop was an interesting series of events and winners in their particular events were:- Jeannie Watson, 1st, Alice Archie, 2nd. George Watson, 1st, Johnny Parkinson, 2nd, and Noel Coolwell, 3rd.

The woodchop found the lack of condition in some competitors quickly and quite a few were not able to finish their logs.

The Band: The Band led the dancers and others down to the Recreation Ground and made a good showing. Willie Thaiday is beginning to get a professional touch with the Mace.

Scouts: The Palm Island Troop of Boy Scouts formed part of the march to the grounds and also gave an exhibition of Tent raising.
