MAN IS A FAILURE

When he values success more than character and self respect.

When he does not try to make his work a little better each day.

When he becomes so absorbed in his work that he cannot see that life is greater than work, someone

When he lets a day go by without making/happier and more comfortable.

When he tries to rule others by bullying, instead of example. When he loves his own plans and interests more than humanity.

When his friends like him for what he has more than for what he is. When he envies others because they have more ability, talent or wealth than he has. When he does not care what happens to his neighbours, or to his friends so long as he is prosperous.

When he is so busy that he has no time for smiles and cheering words.
