BOXING!: At our Welfare meeting on Tuesday night, Mr. Bartlam spoke to the boxers and said that Mr. Ron Richards had offered to train them.

Our boxers can think themselves jolly lucky to be trained by a former champion. New equipment has been ordered. So boxers, its up to you to train and train really hard. Also see you are in trim for our visiting team due here on the 15th of this month (May.).

TENNIS!: The people who wish to join the tennis club, which is to be formed, must have their names into the Welfare Office before the end of this month (May). Three racquets are to be restrung here, and two new racquets to be bought also new balls. It is up to you to see your equipment is well looked after.

FOOTBALL!: Footballers played a good game last week-end on their own grounds. The results were as follows - Seniors: Shamrocks v Wattles. The game was won by Wattles 40-37. Shamrock juniors against Wattle juniors game won by Shamrock 19-16. Sunday's game as follows - Shamrock v Skipjack seniors draw 42 all. Shamrock juniors v Skipjack juniors - Skipjacks won the game 19-11.

I was amazed at the things we all want for our different sports. These things are going to cost us a lot of money, sporting equipment is valuable gear, lets not abuse any of it.

A Scoreboard and Shower rooms are to be erected on the grounds, work to be done voluntary. So footballers!, come along and help, do not leave it all to the few willing ones.
