Luckily, he said, fly and vermin control was very good on the settlement, but it took great vigilance to have this condition prevail at all times, so it was up to everybody to help in this.

WOMEN'S BASKETBALL.

Everybody is looking forward to two good basketball games on Saturday night.

The teams are very keen, and interest in the matches is high.

It is expected that a good crowd will be along to see these games.

FAREWELL - MISS ALEXANDER

Miss Alexander who has been a teacher at the State Aboriginal School for five years, is being transferred to Virginia, near Brisbane.

Palm Islanders will be sorry to see Miss Alexander go, for her interest in small children is well known, and her excellent efforts with the small children at the school have been of great assistance to the Administration.

We all wish Miss Alexander the best of luck in her new sphere of activity.
