

Wedding Bells continued:

women, and the ceremony was conducted by Rev. Canon Gribble. As the bride entered the church, Mrs Logue played the Wedding March, and during the signing of the register Mrs Dreghorn sang "I'll walk Beside You".

As the bridal party left the church the local Native Girl Guides, of which Company Mrs Waite was their Captain, formed a Guard of Honour, and Patrol Leader Irene Clumpoint made a suitable presentation on behalf of the Guides.

The bridal party then adjourned to the Park Memorial Hall where a reception was held. Mr Sturges acted as Chairman and after the three-tier wedding cake was cut, the usual toasts were honoured.

The bride's gift to the groom was a gold wristlet watch suitably inscribed while the groom's gift to his bride was a beautiful gold pendant set with a large emerald.

The happy couple left early next morning and the honeymoon will be spent at Magnetic Island and in touring the Tablelands.

All Palm Islanders join with the Editor and Staff of P.I.N. in wishing Mr and Mrs Waite every joy and prosperity in their married life.

F O O T B A L L
Palm Island v Townsville Estates.

On Sunday last the Palm Island team journeyed to Townsville to play the Estates team and were defeated 36-20. The game was hard, fast and closely fought throughout. Estates made quite a number of changes at Half-time, to enable them to try out all their senior players. This was mainly responsible for their win. When the five minute bell rang Estates led 26-20. It was owing to the freshness of their new players they scored ten points in the final five minutes.
