YARRABAH SCHOOL SUCCESS.

Palm Islanders will be pleased to hear of the success achieved by the Yarrabah Aboriginal School in the school sports held in Cairns recently.

A large number of schools competed and Yarrabah was successful in winning three cups and 36 certificates.

The girls had their greatest success in the running events and the boys did well in running and jumping.

This is the more meritorious an achievement when it is realised that this school has only two teachers and two monitresses for eight grades with a total of 180 pupils. This position will be relieved shortly.

It is notable that all the training for these sports was done outside of the ordinary school hours.

so that the pupils would not lose valuable studying time.

Well done Yarrabah!

ENTRY FORMS - SHOW.

We would appreciate if all entry forms are filled in and brought along to the Welfare Office as soon as possible.

This will enable the Secretaries to catalogue your exhibits and issue your exhibit tickets for exhibits in the open sections.

Please don't include exhibits that you wish to go into the District Exhibit, only your items for the open competitions, such as:- Cookery, Needlework etc.

Those of you who need help in filling in your Entry Forms please call in at the Welfare Office.

REMEMBER, THE SHOW IS ONLY TWO WEEKS AWAY.
