BOXING.

Six boxers visited Townsville on Saturday 12th October to participate in a Tournament arranged by the Townsville National Fitness Club.

James Fourmile - no fight - could not be matched.

Colin Gibson - Fought Adrian Liente who was too good for him - Lack of condition on the part of Colin was the main cause of his defeat.

Alan Nugent - Fought C. Anderson, Alan won on points in the second round. This fight was a lively one and the crowd appreciated the spirit of the contestants.

Maurice Palmer - Fought A. Ambron of Babinda. Palmer won on a T.K.O. in the first round. A very good fight while it lasted.

(Cont'd)

(Boxing Cont'd)

Toby Hunter - Fought E.O'Neill. Hunter showed good boxing until the last round, then slowed down through lack of condition. A good fight - O'Neill won on points.

Francis Williams - Fought D.O'Connor he showed good form throughout the three rounds but he failed in the last round again due to lack of condition. A very good bout.

Once again the lack of training on the part of the Palm Island boys spoilt their chances. They did well but would have done better if they had been in the condition to stand up to trained men in the ring.

Mr.Pope sends his regards to the Superintendent, also to the President of the Welfare Association. Mr.Pope was very pleased with the behaviour and good sportsmanship of our boys at the National Fitness Club Boxing Tournament.

-----  
WATER:

All care must be taken of the reservoir water from now on. The long dry spell shows no sign of breaking at present and water reserves are falling rapidly.

Less than half the usual rainfall has fallen this year to date and springs and seepages are drying up.

All Residents are reminded to watch taps and leaking ones are to be reported to the Overseers Office at once.

Occupiers of houses are warned that they will be held responsible for leaking taps in their yards.

Remember you must conserve the water supply.
