

THE PALM ISLAND NEWS.

FRIDAY 5TH JUNE, 1959.

VOL. 13. No. 22.

SCHOOL SPORTS - INGHAM.

Today the Palm Island Schools will be participating in the State School sports at Ingham.

The Superintendent has made arrangements for boats for the transport of the children and the Social & Welfare association has co-operated by providing lunch for all the native children going over.

The Superintendent also arranged for fruit produced by the settlement farms be available for the use of the children.

We all hope they have a good day. It will be a long one from 3:30 am. to 9:30 pm. but it is certain that most if not all the children will sleep most of the travelling time.
