## VISITING BASKET BALL TEAMS.

On Saturday 6th October, two teams will be visiting Palm Island to play women's basketball.

Womens Basketball is doing very well at the settlement, and it is hoped that the two visiting teams will put on a good programme with the Palm Island girl players.

Two matches will be played on Saturday afternoon, and it is hoped that a soft ball match will be played on Sunday

morning. This should be an interesting event.

It has been tentatively arranged that later, a team or two from Palm Island will be able to visit Townsville to play mainland teams, and the teams for this will be selected later.

The series of matches at present under way has shown the great interest in the game on the settlement, among the Palm Island girls. They have been playing inside the hall at night, and it will be interesting to see whether they will continue their good form on the grass at the Recreation ground.

All spectators at these matches on the weekend are to note that forms inside the roped off area are for Basketball players only.

## PALM ISLAND AMATEUR HOUR.

A good night's entertainment was compered by Neville Morton at the Recreation Hall on Wednesday night last.

A good attendance was present to hear some fine efforts by the performers.

The "Drifters" won first place with a harmonised version of "Island in the Sun". This was very effective. Margaret Nardoo gave an excellent rendering of her number to take second place, and Vassa Johnson took third prize with an accordian solo.
