

Thoughtful acts of public untidiness fall into much the same class as senseless acts of vandalism.
For, when anyone creates litter-no matter how small-that person is contributing to a bad investigation.

Make inspections as directed by the Manager Palm Island.

Control of nuisances caused by swamps, ditches, pools, animals, overcrowding of houses and places of work; smoke from chimneys; infestations of vermin.
Investigation of all cases of notifiable diseases and, if necessary, disinfection of premises

Hygiene of camps, caravan parks and recreation areas.

JOKES ASIDE.

* The opening gambit had always worked well for the playboy, so he smiled down at the girl and said:
"And where have you been all my life?"
The cool blonde eyed him up and down and icily replied:
"Well, for the first half of it, I wasn't even born!"

* A lecturer was talking about the evils of smoking.
"After the first cigarette," he said solemnly, "will come the first glass of beer, the first game of cards and the first affair with a girl."
A voice from the back of the hall interrupted:
"Before you go any further, sir, can you tell me where to buy this wonderful brand of cigarettes?"
