#### THE MOORE SHIELD

The Hon. the Minister for Health & Home Affairs Mr. W. Moore MLA announced at the Royal National Show in Brisbane that he would donate another Shield, to be known as the Moore Shield to be competed for by the three government Settlements along the lines that the Arthur Jones Shield Contest was run.

A conference will be held at the Cherbourg Settlement during their annual Show to finalise details of conditions etc. for the Moore Shield Contest.

So successful has been the display staged in Brisbane that it looks as if it may become an annual event, and the Moore Shield may be 'fought out' at the Brisbane Exhibition instead of on our Settlements.

-----

#### SPRING FAIR

A "Spring Fair" will be held on Saturday 26th September next when local residents will have an opportunity of seeing the three Intersetlement Displays shown recently at Brisbane in the final round of the Jones Shield Contest.

Besides a musical programme by our Brass Band there will be a programme of native dancers and other entertainments for young and old.

A special boat will bring visitors out from Townsville and all will be invited to join in the fun and make a gala afternoon of it.

Don't forget the date 26th September!  
This is the grand climax to the Jones Shield Competition.
