DANCER'S TROPHIES.

While in Townsville last week, your Welfare President met Mr Ulett who is keenly interested in the Palm Island Show, and is always on the look out where he can get support for Palm Island. He advised that he has forwarded the three championship sashes he has donated and also three trophies from Stan Short of Flinders Street.

Advice has now been received that Mr Barron is donating four cases of drinks as trophies for the dancers.

It is proposed to give one case of 2 dozen bottles as a prize each day of the show to the team of Island Dancers that puts up the best dance for the visitors and another case of 2 dozen bottles each day for the best display of Coproboree Dancing by the Paint Dancers.

Dancers, here is a worth while trophy and our thanks are due to Mr Barron for this generous gift. Thank your, also Mr Ulett and Mr. Short.

CHARTERS TOWERS VISIT.

The concluding outing for our boys to finish up the Jubilee Celebrations was a trip to Charters Towers by our footballers and dancers.
