The second Representative Palm Island Team in yellow tunics were as follows:- Marjorie Ross, Agnes Marappa, Irene Clumpoint, Anniw Sailor and Angelina Marks, Glen Palmer and Bev. Robertson.

Townsville was unable to field a second team, as many of their players were away at a big Railway Picnic. However, after a rest, they agreed to play a short match against our second team.

Right from the start it was seen that our girls had difficulty in coping with the slower passing methods of the Townsville girls. The secret in defeating this lies in having a good defence, as by holding the ball longer the opposing players are able to dodge into position for a clean pass without interference.

A lively game was enjoyed with the scores one goal to six, in Townsville's favour.
