FOOTBALL.

Tully footballers will arrive on Sunday 23rd August, to play against a Palm Island team. It is hoped that a good day's sport will follow.

With the present fine weather likely to continue it is expected that there will be a good attendance and that there will be a good crowd to see the good standard of football which is sure to be provided.

Owing to transport difficulties it is not easy to get mainland teams to visit Palms but on the occasions when they are able to send a team there is usually a good days fun.

So rally around all Palm Islanders and give the visitors a good welcome.
