FRIDAY 17TH SEPTEMBER 1954

SPRING FAIR

This function, which is to be held on 25th September, (Saturday week) will commence at 8.30 a.m., with swimming and diving events.

The tide will be high at this hour and it is asked that all competitors make themselves available punctually. The boat races, which caused so much fun and excitement at the last Bazaar held at the frontage, will be repeated and it will be necessary to have swimming, diving and all other aquatic events completed by 10.30 as the tide will then be getting too low.

Tug-o-war, woodchopping and other sporting events will follow during the day. One of the highlights being the visit by two basket ball teams from T'ville. who are making the trip on the "Mingela." These will play two selected Palm Is. Teams early in the afternoon to allow the visitors plenty of time to join in the fun.

The Band parade in the afternoon will commence at 2 p.m. leading the Island Dancers, Paint Dancers and others to the recreation ground to carry out their part of the entertainment.

Everybody is looking forward to the Boxing Tournament which will take place at 7.30 p.m. on the same night.
