

VISIT TO CASEMENT.

Mr. P.J.Richards accompanied by Mr and Mrs. Bartlan and Mrs. Croker and a team of basket ball girls went to St. Michael's Convent on Monday morning and were welcomed by Father Foster and Mother Superior.

The Settlement team proceeded to play a match versus the Convent team with Mrs. Croker as referee.

The convent team due to constant practise were easy winners and it is to be hoped that the Settlement team get a great deal more practise in anticipation of a better showing in a return match.

After the game Mother Superior proudly showed Mr. Richards the new convent water supply and pump and then provided an enjoyable morning tea for all the guests.

SHOW BOXING TOURNAMENT.

The boxing tournament on the Saturday night of the show period proved very entertaining.

Visitors from Townsville participated and two lads from Cherbourg - Jim Edwards and John Willmott gave a good account of themselves.

Keith Bligh proved too good for John Willmott and although John recovered in the third round he had lost too many points in the first two rounds to catch up.

Jim Edwards gave a good exhibition of boxing and defeated Robert Burton. Robert fought gamely, but Jim was too clever for him.

Alan Nugent defeated Hubert Dowling on a T.K.O. This was a good effort on Alan's part. He gave away a few pounds and received a fair amount of knocks in the first round to some back and win.

Show Boxing Tournament - continued:

Gresham Gunnawarra and George Watson started tamely,
but improved somewhat in the closing stage. G. Gunnawarra
won on points.

Arthur James was too experienced for Maurice Palmer
whom he defeated.

Maurice made it willing enough in the early stages.
He has a bad habit of turning his back to his opponent
which is a dangerous practice.

Vincent Barnes won on a foul from Colin Gibson. Colin
landed a blow on the back of Vincent's head.

The punch, though unintentional, was a heavy one, and
the referee decided that the decision be given to his
opponent.

Jack Patterson proved too tough for David Langlo. The
bout was a good one.

James Fourmile won comfortably from Garnet Nuggins.
James fought one of his better fights to pile up a good
points lead.

Francis Brown defeated Fred Fulford jnr. on points in a
close contest.

Alf Saunders won by a knockout over G. Thompson of
Townsville N.F.C.

He gave away a deal of weight in this match and the
fight, though not scientific, was very willing.

Bedford Dargan defeated Sinclair of N.F.C. Townsville
on points.

Adrain Sailor won his bout from G. Barron of
Townsville N.F.C. His opponent had a long reach but
Adrian's aggressive tactics won the bout.

Fred Doolan and C. Thompson of Townsville had a good
contest.

Freddie too gave away a lot of weight. Thompson
shook Doolan a few times with heavy rights to the head but
Fred's greater experience stood him in good stead.

Show Boxing Tournament - continued:

F. Doolan won on a technical knock out in the third round when Thompson did not come out of his corner.

The Superintendent Mr. Bartlam presented the trophies won by the contestants and congratulated them on their fine performance.

He thanked the N.F.C. for coming along to the tournament and their members for participating.

He referred to the fine ending to a good two days of sport and entertainment, and expressed his appreciation to the organisers and workers for the fine effort in putting on a most successful show.

Have You Tried This?

Use powdered sandsoap on the end of a cork for cleaning ordinary steel knives.

Making a cake that needs two eggs, and only one on hand? Beat the yolk in half-cup milk, then beat the white stiffly and stir into the cake mixture.

"Dear," said a wife to her husband, "we shan't have to pay anything more on the furniture. This letter from the hire-purchase company says 'Final Notice'".

Friend's hubby has little faith in her ability as a driver. When she returned from a trip into town in the family car she remarked casually, "I ran into an old school friend today." Hubby looked up from his newspaper and said, "Did you, dear? I'm not surprised." Then he added, "Will she be long in hospital?"
