VISITING BOXING TROUPE

On Saturday, 2nd July, Mr. J. Kapor, from Babinda, will be here with a troupe of boxers from his district to contest against our Palm Island boys.

Mr. Kapor, a close friend of Ron Richards, paid a visit to our island several weeks ago. He has seen our boxers in action and is very anxious for them to meet his boys.

From all reports his boys are a team of well-trained, hard and straight punching young fighters, so we look forward to a good night's fighting.

The 2nd of July is only two weeks from next Saturday. So come now, all of you young fighting men, get stuck into the training. You have little more than two short weeks, go to it, get into top condition and give them a good show.
