A General Meeting of all interest in football was held last Thursday afternoon when it was decided to field four senior and four junior teams this season. About 145 players have registered and it is hoped enthusiasm will be maintained throughout the season.

The following were nominated as a selection committee and their first task is to select the players for their respective teams after which they will keep a look out for possible representative players. They are Jim Daisy, George Ryan (snr.), Greg Barry, Tom Anderson and Jim Gunnawarrs.

Other officials nominated were referees and linesmen. They include George Ryan (snr.), Greg Barry and Ernie Puttaburra for all senior matches while Malcolm Ross and Jim Stanley assisted by Jack Ebagoola and Wilfred Burke will handle all junior matches.

The linesmen will be Captain Johnson, George Parker, Billy Inkstone, Major Clumpoint, Malcolm Ross and Greg Barry, while Roderick Gessu and Joe Purcell will act as Time Keepers.

Lewis Lawrence assisted by Arnold Ryan and Reg Friday will be official scorers on the score board.

It was agreed to accept the invitations of Ingham and Halifax Football Clubs to play matches at Ingham and Halifax respectively and meanwhile scratch matches will be played on Palm Island each week-end to enable selectors to select a representative team for these mainland matches.

This season's fixtures are scheduled to begin the first week-end after Easter.

Another general meeting will be held next week Thursday at 5 p.m. and ALL players are requested to be present.
