## BASKET BALL

### Mens

A most interesting game took place on Monday night between Rainbows and Grey Clouds. What impressed me was the considerate manner in which each team behaved towards the other when one Rainbow member left the court injured. That team decided to carry on with four members only, so Grey Clouds had their strongest player leave the court and substituted a reserve in his place. To me those were fine gestures. The game was won by Grey Clouds.

Wednesday night Rainbows and Thunder Birds played in what could be classed as the best match played on this island.. Both teams were evenly matched and right up till the last bell no one knew who would be winning. Thunder Birds gained the victory by the narrow margin of four points.

Following these came Blue Birds and Grey Clouds in a match that was inclined to be rough and ready. Both teams have a tendency to move faster than their skill of ball handling allows; leading to a tremendous amount of fumbling and rough house clashes in the middle. Grey Clouds won by a narrow lead.

A fault of all teams at the moment is

water except for household  
broken pipes should be  
y.

teams at the moment is

the heavy bumping going on. If this were  
stopped and more reliance put on trapping the  
ball or blocking the player, the game would  
be smoother and better.

Rainbows	1
Thunder Birds	2
Grey Clouds	2
Blue Birds	0

-----

Womens

Last Monday night Waratahs played Shamrocks  
and Swifts played Jubilee. Waratahs defeated  
their opponents by 36 goals to 9, and Swifts  
defeated Jubilee by 26 goals to 13. In the  
first quarter of the Waratah-Shamrock match,  
Shamrocks did not seem to be playing very well,  
but in subsequent quarters they improved  
tremendously.

Jubilee played very well against Swifts,  
but the latter team have good control of the  
ball and are very quick. With constant  
practice the Jubilee team could be as good  
as any.

The final scores in round two for the  
R.H. Bartlam shield are:-

Waratahs	3
Swifts	2
Shamrocks	1
Jubilee	0
