

Superintendent Mr. R. H. Bartlam for making transport available and the assistance generally given to make these camps a success!

HEALTH NOTES.

MILK.

Growing children need milk more than any other single food. Milk is almost perfect food. Milk for bone and body building; milk for the formation of strong, healthy teeth. A pint and a half a day should be the toddler's minimum, taken as drinks, on cereals, or cooked in food.

SURPRISE BIRTHDAY

HAPPY!!

Last Saturday week members of the school staff and a few friends gathered at the home of Mr. & Mrs. Krause and gave Mrs. Krause a surprise birthday party.

Mrs. Krause was the recipient of numerous gifts, including a complete barbecue outfit and barbecue table. Bowls, miniature cookey and other competitions were the main activities of the evening and a most enjoyable time was spent.

Mrs. Krause thanked all those present for giving her such a lovely evening, which came as a surprise to her and is one that will long be remembered by her.

BOXING NOTES.

Results of the Boxing Tournament held on Saturday 20th October are as follows:-

Walter Miller	defeated	Vincent Reid	-T. K. O.
Rex Corporal	"	Tim Kidner	-K. O.
Sam Conway	"	Mervyn Marpoondin	-T. K. O.
Frank Pickles	"	Raoul Walsh	-points.
Willie Daphney	"	Joe Obah	-points.
Dennis Banning	"	Rob Nallajar	-points.
Bruce White	"	Jim Walsh (jnr)	-T. K. O.
Francis Brown	"	Trevor Mathieson	-T. K. O.

The standard of Boxing was not good, and many better Tournaments have been seen on Palm Island.

The best bout of the night was between Sam Conway

and Mervyn Marpoondin. Conway weighed in a stone lighter than his opponent and the bout could have gone either way, first one boxer being on top and then the other managing to get the upper hand. This fight was marred by too much holding but the pace at which it was fought forced both boxers to either hang on for a breather or go under.

Some of the younger boys are obviously lying down as soon as they get tired, rather than from the effects of a punch. Any one who acts in this manner should be barred from Boxing until he has proved by training hard, that he is able to fight for at least four rounds, and the Boxing Committee should see to this as soon as it is possible.
