NAVY VISIT

Last Sunday the Navy survey ship H.M.A.S. "Warrego" paid an official visit to Palm Island. During the afternoon a football team from the ship played an Island team. Quite an exciting afternoons sport was enjoyed.

The island team won 22 to 18.

The "Warrego" is doing a survey at present around the Palms area and Palm passage.

There is still quite an area of the Barrier Reef not fully charted.
