Basketball Match.

A match was played on Tuesday afternoon between a team of school girls from the Convent at Casement and a team of girls from the Women's Home.

So far this year the Convent girls have not been beaten and they proved the superiority of their game again on Tuesday when they defeated the Dormitory Team by 19 goals to 10.

Though some of the Dormitory girls were on the Palm Island Representative team to Townsville last year, they have not been practising as they should and it is hoped that a defeat will spur them on to more practise so that they combine better in their next match.

Quite a few spectators were present including Mr and Mrs Krause though the weather was against both the players and onlookers as a very strong a gusty South Easter was blowing.
