BOXING TOURNAMENT

Last Saturday night at the hall a contest was held between Palm Island boxers and visiting boxers from Mareeba, Babinda and Townsville.

This proved to be an enjoyable nights' boxing with a very large attendance at the hall.

The boxers were evenly matched and our local boys fought well. Although our boys won only four fights, they put up a good show.

Social and Welfare Association wish to thank all those people who gave their kind assistance in billeting and catering for the visitors, and in preparing and cleaning the hall. They did a splendid job.

Results:-

John Douglas fought Allan Camp (Mareeba) John won on points.

#### THE BITTER END.

It was a picture of desolation, of complete and utter destruction, devoid of all human life whatsoever. The mushroomed-shaped clouds from several atomic and hydrogen bombs rose slowly to the sky. Nothing remained save an old tree in whose branches sat two old and wise-looking monkeys. Finally, after carefully surveying the scene, one said to the other :

" Well Mum, there goes the last of them; it looks like we've got to start all over again."
