FRIDAY 1st OCTOBER, 1954.

"Palm Island Spring Fair."

Palm Island's second Spring Fair proved an outstanding success both financially and as a function.

The "Mingela" arrived just before noon with a large crowd of Townsville tourists on board, also a large number of canecutters who came in for the day.

A team of Basket Ball Players came out from Townsville also with their coach, Mrs. Walsh and two enjoyable matches were played against Palm Island teams.

The Palm Island No. 1 Team won their Match, 17 to 8 and this was a really good match.

The visiting girls had a better knowledge of the game but the Palm Islanders by faster passing and excellent Team work by the assistant goalie, Maisie James and the goalie Rita Larry were able to draw ahead.

The No. 2 Team lost against the Townsville Team by 18 to 8. Lack of practice together was the principal cause of their defeat but I am sure they all had a good game.
