

Charters Towers v Palm Island - continued:

Thats all that matters in sport, "Always play the game whether you win or lose". This they did and I may say here and now have always done much to their credit.

Scorers for the Island were Dooley 2, Prior, Thimble, Sibley and Geia I each, Geia and Hero 2 conversions.

Looking again for an individual effort, I would say Doug Dooley with all the team right on his heels.

We were rather unlucky inasmuch as we played 12 men for the second half as Paul Burns was taken to hospital 5 minutes after the start of the second half suffering from a kick on the side of the head. However latest news is that he is O.K. and should be back with us shortly.

In conclusion I would say well done to you both juniors and seniors, you played really good football and once again were a credit to the Island on and off the field.
