MATRON FORBES' FAREWELL

On Friday night the Staff farewelled Miss Forbes at a social gathering at the white school. Mrs. Carey arranged a splendid programme and at supper time Matron was presented with a travelling rug and ash tray as a token of esteem.

On Saturday night the girls from the Women's Home entertained Matron Forbes, Canon Gribble and Sister Crye, Mrs and Miss Smith and Matron Bartlam and Alison. They were served a delicious roast duck dinner and afterwards listened to a delightful concert in which children from the Boys' and Girls' Homes participated.

Highlights of the evening were the island dancing by the small girls and boys. Hula dances by Hilda Williams and Rosemary Kyle and a Conga of which we didn't see enough by Rosie Lefthand.
