Master.

An attempt is now being made to establish a senior section of our troop and all boys 15 years and older who may be interested in rejoining their troop are asked to get in touch with the Group Scout Master. Mr. Krause.

Scouting does not cease when a boy leaves school, actually its then becomes more interesting and advanced work is undertaken.

Be sure you see the scout and guide displays at your show and then give a little thought to joining with the other scouts or guides in this training. I am sure you will enjoy it.

Scouting and Guiding can be such good fun - why not try it.

YOUNG FOLK'S PAGE.SCHOOL SPORTS.

The Head Teacher, Mr. Krause, has just received advice from the Herbert River Primary Schools Sports Association that five of our Palm Island boys have been selected to compete in the North Queensland championships to be staged at Townsville next week Friday 11th September.

The boys chosen are Cedric Conky and Warren Russ for sprinting, Ralph Pickles for senior high jump, and Vernon Conway for broad jump and his brother Anthony Conway for the senior broad jump.

Any who can win these champion-

ship will be selected to compete in Brisbane for the State Championships.

Mr. Bartlam, Superintendent, has advised that these boys may go to Townsville on next Thursday's boat and return on Saturday.

We all wish these boys every success while at this contest. Last year four boys were chosen from this school one of which was Cedric, who has **again** been selected this year.

Good luck boys.
