

COLOUR SLIDES

Mr. Krause advises that he has had quite an interesting selection of colour slides returned this week and included among them are slides of the recent visit to Townsville when Her Majesty the Queen was visiting that city.

Mr. Krause hopes to screen these at the first opportunity along with the balance of slides on his recent visit to New Guinea.

FOOTBALL

Last Sunday week two teams of footballers journeyed to Townsville to play the West End Athletes juniors and seniors.

The weather proved very inclement and in addition to a rather lively trip across to Townsville it rained most of the time the games were in progress. But despite this drawback our boys played a good game.

However the hospitality extended to us was by no means dampened by the weather and a small band of ladies did a splendid job in catering for our people, for which thanks were extended to the Club and their ladies by Mr. Krause supported by Mr. Paul Burns.

Here is the report of the game submitted by our coach Mr. Barnett.

" Here are the results of our visit to Townsville last Sunday week to play West End Athletes with two teams from Palm Island.

The juniors showed a big improvement in their play although weather conditions were against them.

The outstanding players are as follows - Jack V Wallace scored the first try, followed by a good move by Paddy Lightning, David Pompey scored the second try.
