Chairman Bryce Barlow and Project Officer Tony Cooke inspect the commencement work on the new car park.

## LOOKING GOOD

The Rev. James Noble Sports Centre is starting to take on a promising shape. At the moment, contract workers from Gutteridge, Haskins and Davey are constructing a \$6,000 parking lot in the front of the Complex.

When that is complete, a chained fence will surround the building to keep out horses. The Chairman, Bryce Barlow and Project Officer Tony Cooke are pleased at the progress and results of the work carried out by the contractors. Workers on the C.E.P. Project will also take part in updating the Complex.

Community support is needed in the areas of preventing vandalism on the new work.

## NEAR SEASON

Every Christmas tree around the community is in bloom; bright red flowers extending out to the world. Other trees are blooming with bright purple, pink and yellow flowers covering the whole tree.

It is that time of the year when everything comes alight, especially when decisions are made, worldly ones as well as spiritual ones, the choice is yours from the heart.

Let your decision make you happy, because the Christmas season only comes once a year. You may never see the next. Show extra care for friends, relatives and family members. Make this season one to remember. The next one may never come, but instead HE may come.
