This should encourage our junior teams to play hard and be in the running for selection in our junior Representative Team.

Players are asked to give closer co-operation in the care of jerseys and essential equipment provided for this sport.

DANCING NEWS.

Four teams of dancers visited Forrest Beach last Sunday and four more teams went to Ingham on Monday. All teams did exceptionally well in their displays of dancing, spear and boomerang throwing and spear fighting and some dancers took part in peeling the coconut with their teeth. The audiences in each place were very appreciative of these displays and it is believed these demonstrations were the main source of attractions at these two places.

This week end marks the opening of the Jubilee Dancing Competitions and it is expected that a full night's programme will be staged.

There are six paint dancing teams and three island teams registered to take part in this festival of Native Dancing.

It is intended to commence the first dance promptly at 7.30 p.m. and all dancers are asked to make an endeavour to be here early. Patrons not wishing to miss seeing some of these spectacular events are also advised to come along early too.

A panel of judges has been chosen to judge these dancing events.

Besides judging the ability of a team to dance, points will also be awarded for the manner in which a team is dressed for its dance.
