

SPORTING NEWS

Cricket

Now that the football season has finished some of our sportsmen are turning their attention to playing cricket. Last week end a number of enthusiasts cleared the pitch and had a practise game.

It is hoped more will come along this week end to join in the game.

Swimming

Swimming is becoming popular with the rise in temperature these days, and the school children are being given regular instruction in swimming when even tides are suitable. This now takes the place of drill and parents are asked to co-operate by seeing their children participate in the swimming lessons given.

Tennis

At last the local Tennis court has been prepared sufficiently to permit games being played on it. The Welfare racquets are to be repaired but meanwhile those having their own racquets may use the court, though they may find it a little loose in places.

OLD TIME PHOTOS

Some years ago, the late Mr. Hamilton presented the Welfare Association with four photos of early days on Palm Island taken over 30 years ago. These were given to Mr. Laurie, Photographer of T'ville, who had them re touched and framed. They were returned to the Welfare Association last Tuesday and
