

BOXING

Last Saturday night 13 bouts were staged and quite good night's entertainment was had. The bouts are run off in a most satisfactory manner. It is pleasing to note that boxers are co-operating with their Committee by being at the dressing room on time. It is hoped that this standard is maintained throughout and so make Boxing night something to look forward to for all Islander.

In the main fight of the night, Fred Clay defeated Max Simpson on points. In this fight the two boys staged a very clean display of boxing. They broke apart in clinches of their own accord and used good clean punches throughout. This is a style worth following and makes the bouts a delight to watch. Results of the minor bouts are as follows,

Arthur James	defeated	Norman Fulford	on points

Riley Webber and Mat Johnson fought a draw.
