HEALTH NOTES.  
"Giving Children Medicine."

When giving a child 'nasty' medicine in a drink  
choose one he doesn't drink regularly. If you give a  
queer taste to orange juice or milk, he may be  
suspicious of these for months afterwards.

THE ANSWER TO SKIN CANCER.

Skin cancer is a malignant change in the skin  
which, if unchecked, can lead to disfigurement and  
death. It may take the form of certain types of moles  
or warts or it may be a simple sore that fails to
