

Boxing - continued:

over the four two minute rounds.

Arthur Hero of P.I. fought a draw with A. Katthagen of Townsville, Hero's pocker-face style of fighting made the crowd laugh, he is very popular with the crowd. Both these boys slugged it out to a draw, the fight lasting the full four rounds of two minutes each.

Jack Ebbagoola of P.I. knocked out A. Linti of Townsville in the third round of their four round contest. Linti has a good style of fighting and has a good punch in either hand, he stung Ebbagoola with a straight left and right to the head in the second round and repeated the same as the fight went on. Ebbagoola is a very sunning fighter, he carries a whallop in both hands. He caught Linti with a well timed right cross to the point in the third round and it was "curtains" for Linti, he stayed out for the full count.

The remainder of the fights were between our local boys and Jack Patterson had too much condition for Allan Barry who threw in the towel in the third round. Sonny Sibley K.O'd Doug Dick in the third round, Sibley surprised the crowd as it's been a while since Sonny has put in an appearance in the ring, he did well to come back and win.

Colin Gibson won on points from Fred Tiers, he had Fred puzzled and put up a good fight. Colin has a good style of punching and his win over Tiers put him well up among the best lightweights we have. Fred Tiers is a good fighter but was not up to his usual form on this occasion, he has fought some good amateur fights and we are all hoping Fred will make the grade in big boxing.

At the conclusion of the fights Mr Bartlam presented the winners with trophies that were generously donated by various interested firms in Townsville and admirers of the sport.
