

BASKETBALL MATCHES.

Shamrocks played Jacaranda on Monday night, and, in the first two quarters nearly held their own, with little Margaret Chookie goaling like a champion and Gwen Nardoo playing an excellent defence game to stop Shamrock goalies getting the ball. In the last two quarters Shamrock went ahead to win 24 goals to 15.

In the second and last match Margaret Haines team was defeated by Swifts, 32 goals to 13. However, they are a new team, and more practise will bring them on easily, as the team is made up of good experienced players.

It must be impressed on all teams picked to play to get along early, otherwise 3 matches cannot be played in the night - as occurred last Monday.

The Draw for next week will be:

Waratah to play Margaret Haines team.

Ravens to play Jacaranda.

Swifts, Shamrock and Primrose will have a by.

MEASLES.

Measles is most infectious before the rash appears; that is, during the time when the patient shows the symptoms of an ordinary catarrhal cold. Face the measles patient away
