

SCHOOL SPORTS.

Last week Thursday the children of the three local schools met at the native school where an afternoon's sports was conducted preparatory to going over to Ingham this Friday, 29th July, to participate in the Herbert River District Schools Sports, and to compete for the coveted Barnes Cup.

All the children put forward quite a good display and competition between the teams was very keen. If they do as well in Ingham, where they will be competing against approximately 25 or 30 other school teams, Palm Islanders will have every reason to feel proud of them.

The children of the local Provisional School are very hopeful of gaining the "Neville Krause Memorial Cup" this year. This cup is held for one year by the child of a one-teacher school who scores the most points for its school. We hope this cup may also come to Palm Island.

The Head Teacher, Mr. F.A. Krause, and members of the school staff will accompany the children to Ingham next Friday. It will mean a very early start for these children as the sports commence at 9 a.m.

Mr. Krause wishes to thank the parents for their co-operation, and the teachers who have assisted with the training and the arduous task of preparing the tunics the children will wear at the sports.

We trust the sea will be kind to the girls and boys and that they will have a comfortable crossing both going to Lucinda in the early morning and returning home in the evening.

Good luck! girls and boys.
