RODEO.

The rodeo last Wednesday proved a success in spite of the threatening rain.

The bullock riding proved very popular and spills were fast and furious. No injuries resulted from the many collisions with the earth.

The open champion was again Tom Twaddle. His first ride was better than his second one.

John Bond did well to get second place one point ahead of Peter Stanley.

In the Novice event N. Saunders came first and L. Hatfield second.

One of the highlights of the day was the pillow fight on the rail. This was won by L. Hatfield in the mens and James Tranby and W. Bugler tied for first with Jim Reid second in the boys event.

This was most amusing and the stubborn battle between James Tranby and Wes. Bugler was very exciting.

Foot running for men and women were run off during the day.

Small children had a dayout and quite a few events were available for them.

The usual sack race was popular.

A few showers fell later in the afternoon but could not dampen the spirits of the crowd who stayed to see the finish of the day.
