Results of the recent boxing tournament held at the R.C. Boxing stadium last Saturday night.

Bobby Reid v E. Clarke. This bout was very interesting witness, which Clarke won on a points decision. The decision very close indeed.

Norman Anderson v D. Thome. A very hard fight to judge. Thome won on points.

Toby Hunter v T. Miller. Toby fought well in the first round and a half, but tired out toward the finish for lack of condition.

David Prior v G. Lampton. David fought very well in this bout and out-boxed his opponent from the word go. He had a fight well in hand and won on a points decision.

Boxing Tournament - Townsville.

John Jumbo v S.Lampton. Lampton won on a points decision.

Maurice Palmer v L.Duncan. This was a very exciting fight with both boys throwing punches right and left from the start.

Maurice won on a points decision over Duncan. It was thought that Maurice would knock his opponent out at one stage, but Duncan, a tough fighter stood toe to toe with Maurice right to the finish.

Watch out Mo!" if you are matched up with him again - so get plenty of training at the gym. and be prepared.

James Fourmile, who has deffinatly improved since his last fight was matched against Bert McDonald who is the Q'ld. Amateur Champion and Olympic Quest Winner.

This was a good fight and was won by McDonald.

Hames as you will recall had an operation on his right hand, but is making a come back in boxing.

Dick Dalton v David Kyle. David put up a good fight considering his opponent is more experienced. This was also David's first appearance at the N.F.C. Stadium. This bout was won by Dalton on a T.K.O.

Pompey Jack showed good promise in the first two rounds, but as usual tired outin the end and lost this fight on a t.k.o. decision to K.Stoll.

"More training should do it Pompey!"

The Palm Is. boxers were thrilled to have had the opportunity of also seeing part of the Olympic Games when the Relay Torch Runher entered Townsville. All were in a group on Flinders Street to witness this event.
