to the group who brings in the heaviest average catch'. This will give those who have a smaller catch of good sized fish an opportunity of winning a prize.

The increasing number of dogs seen at the pictures and other entertainments has caused some concern and a notice to all dog owners to keep their pets at home appears in this issue. It is hoped residents will cooperate in carrying out this request.

A number of accounts were passed for payment and the meeting closed at 9.30p.m.

#### FOOTBALLERS VISIT INGHAM

##### Marvellous Recovery.

With the scores at 31 to 4 in favour of the Ingham Life Savers, Palm Island made a maraculous recovery and won the match by 37 to 33.

Excitement was very intense as Palm Island slowly but surely piled on its scores in the second half and passed Life Savers. With the scores at 33 to 32 in Ingham's favour, gained through a penalty kick, and with only a few minutes to play, Palm Islanders romped home when Harry Johnson scored a try which was converted and gave them the victory of 37 to 34 points.

There was a record attendance at this match played at Ingham last Sunday and during the afternoon the Palm Islanders gave exhibitions of Island and corroboree dancing, lighting by the primitive method of rubbing two sticks together.

The catering to the visitors was very ably carried out by a ladies committee, everyone doing full justice to the many good things placed before them.

Mr George Kennedy, president of the Ingham Life Savers Football Club formally welcomed the Palm Islanders
